## ANNOUNCEMENTS:

FBCM is excited to welcome John Ausmus as our new Media Director! John brings a wide range of skills and experience having served in production, IT, and media technology roles at a likeminded church and in private school settings. The Media Director is responsible to oversee all audio/video needs within the ministries of FBCM, including any worship services, special events, regular meetings, and other programming during the week. He will also recruit, train, and coordinate all volunteers that help carry out the weekly operations of the Tech Ministry. John is a 2022 graduate of Christian Heritage Academy and is looking forward to plugging into the life and ministries of our church.

Let's all make him feel welcome!
