If you have lost a spouse, child, family member, or friend, you may have found there are not many people who understand the deep hurt you feel. It may be hard for you to feel optimistic about the future. GriefShare helps group members apply biblical principles to the healing process after the death of a loved one, and participants will see how the gospel brings hope and restoration. If dates conflict with Membership Matters – class will meet in The Brick. No Class Wed March 20th.
